

Trick or Treat for UNICEF!

Dear Community of Manoa,

This year our Manoa family has collected a grand total of \$1,176.07 for needy children all over the world. That is almost twice as much as we collected last year!

Trick-or-Treat for UNICEF funds help save children's lives in over 190 countries and territories through immunization, education, health care, nutrition, clean water and sanitation.

Once again Manoa Students have shown that they really care about helping other people. Way to go Manoa!!

Thank you for all of your support!
